EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel claims 15-17.

End of Amendment

Claims 15-17 are cancelled as being drawn to an invention non-elected without traverse. The claims are not eligible for rejoinder because they do not include each and every element of an allowed claim. See MPEP 821.02; 821.04.

Response to Amendment

By amendment filed 6/29/2006, a new drawing sheet is received and is acceptable, claims 1, 11, and 12 are amended, and claims 18-19 are added. After the examiner's amendment herein, claims 1, 8, 11, 12, 14, and 18-19 are pending.

Allowable Subject Matter

Claims 1, 8, 11, 12, 14, 18, and 19 are allowed. The following is an examiner's statement of reasons for allowance:

Art Unit: 2828

Claims 8, 11, 12, and 14 are allowable for the same reasons given in previous office actions.

Claim 1 is allowed primarily due to the added limitation that the notch is formed at an edge portion of the substrate. See the elaboration by applicant in the most recent response as to how this distinguishes from the art of record.

Claims 18-19 are allowed at least due to their dependency on claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
